SUPPORTING COMBAT-WOUNDED VETERANS

THE CAUSE

NO BOUNDARIES

For more than a decade, No Boundaries has helped combat-wounded veterans rediscover confidence, independence, and purpose through life-changing adaptive experiences. What begins as a week of challenging outdoor activities becomes something far greater—a reminder that injuries do not define limits, and that no veteran fights alone.

Through winter programs in Snowbird, Utah and summer and fall trips in Southeast Florida, veterans take part in adaptive sports and activities designed to push boundaries and rebuild self-belief. From adaptive skiing, sled hockey, and tubing to deep sea fishing, surfing, adaptive golfing, skeet shooting, and even shark diving, each experience is tailored to the needs of the participating veterans and supported by trained professionals.

But the impact goes beyond the activities themselves. During these six-day trips, veterans live together under one roof, forming deep bonds with fellow service members who understand their experiences, challenges, and sacrifices firsthand. The camaraderie, teamwork, and lifelong friendships built through No Boundaries often become just as meaningful as the adventures themselves.

No Boundaries is a 501(c)(3) nonprofit organization run entirely by volunteers, with 100% of donations going directly toward supporting veterans on these trips. The program's mission is to provide both winter and summer/fall experiences for combat-wounded veterans each year at no cost to the participants. Every aspect of the journey, including airfare, lodging, meals, transportation, and activities, is fully covered thanks to the generosity of supporters and sponsors.

For the veterans who participate, No Boundaries is more than a trip. It's a renewed sense of possibility, purpose, and community.

FIVE YEARS OF IMPACT

CORNAMENT FOR A CAUSE

This year marks five years of proudly hosting our Cornament for a Cause in support of No Boundaries. What started as a humble charitable event has grown into an annual tradition. Thanks to our sponsors, partners, customers, and friends, this event has helped make a real impact over the past five years:

Funds Raised:	$500,000+
Veterans Supported:	275+
Trips Supported:	10
2026 Goal:	$150,000

Beyond funding adaptive sports trips, proceeds from this event have also helped veterans in times of critical need. In 2025, No Boundaries helped restore a veteran's home after it was destroyed in a fire and provided another veteran with a vehicle equipped with an adaptive wheelchair assist carrier to improve his independence and mobility.
